Présentation

Switzerland Sotheby's International Realty is a company of property experts who are passionate about estate agency and marketing new build projects. It has become a leading brand in the valuation and sale of property.

With more than 40 years of experience and 120 members of staff, the company is passionate about its clients. Its 80 agents complete nearly two sales a day in a complex, sometimes capricious market. These sales average at 1600 a year and cover all budgets and all buyers. The sales volume for half of them is between 400'000 and 2 million Swiss francs.

Whatever the estimated value of your property, we will do everything we can to help and support you through the process. Our high-performance marketing campaigns are targeted for immediate results. For each of us, the objective is to gain your confidence so that together we can sell your property for the right price within a short timeframe.

Our Switzerland Sotheby's International Realty experts market new build projects, buildings, land, resale properties and prestige estates.

Our company is headquartered in Lausanne but active primarily in the following regions : Geneva, Nyon, Morges, Lausanne, Echallens, Yverdon, Montreux, Fribourg, Biel, Bern, Neuchâtel, Valais, Villars-sur-Ollon and Gstaad. So our range covers the Lake Geneva area, Chablais, Valais, Fribourg, Neuchâtel, the Berne region and various mountain resorts (Villars, Champéry, etc.).
