Présentation

Overlooking a green setting bathed in silence, **this remarkable 8.5-room villa, erected on a plot of more than 1,800 m²**, is part of one of the most preserved settings on the Vaud Riviera. It offers a sovereign view of Lake Geneva, changing with the hours and seasons, a real living tableau with infinite reflections. Sheltered from any indiscretion, this residence deploys generous volumes and an atmosphere imbued with discretion and serenity. Its dominant position gives it a grandiose panorama, in the heart of a bucolic environment preserved from any nuisance, conducive to contemplation and rejuvenation. An ideal residence for lovers of nature, calm and elegance, in search of a rare and privileged place to live.
