

House for sale in Vaumarcus, Switzerland

Vaumarcus

Prix de vente : CHF 2'450'000.-

Présentation

Located in a sought-after and confidential residential environment, this exceptional 7.5-room residence of approximately 239 m², offers an exclusive art of living, sublimated by a breathtaking view of the lake and very high standing services.

The reception areas seduce with their generous volumes and natural light. The living room, with a fireplace, exudes an elegant and warm atmosphere, ideal for entertaining or relaxing in a refined setting. The large openings create perfect continuity between interior and exterior.

The house offers six bedrooms with harmonious proportions, offering comfort, privacy and serenity, perfectly suited to a prestigious family residence.

The outdoors are a real haven of well-being. The property has two stunning terraces.

- a first terrace of about 60 m², ideal for receptions and moments of conviviality,
- A second terrace, directly accessible from the living room, hosts a heated swimming pool and an outdoor jacuzzi, inviting you to relax in front of the lake panorama.

The amenities are completed by two outdoor parking spaces and two spaces in a garage, fully meeting the requirements of a property of this standing.

A rare property, combining prestige, discretion and exceptional natural setting, intended for a demanding clientele looking for a unique place to live with a view of the lake.
